

A SEASON OF JUSTICE AND HUMANITY

Fundraising Campaign

Warm Hearts. Strong Communities.

Honoring the dignity in all of us.

This winter, too many families are facing hunger, displacement, and uncertainty. We believe justice begins with meeting basic human needs — food, warmth, safety, and belonging.

Join us in building a season grounded in humanity. Your donation helps:

- Feed families in crisis.
- Provide warmth and comfort.
- Supports refugee and immigrant families rebuilding their lives.
- Strengthens housing stability programs that help individuals move from crisis to independence.

Together, we can make this a season defined by compassion and hope.
